HOTELBRAIN ACADEMY

07

HotelBrain Academy is the latest initiative of the HotelBrain Group that revolutionizes the hospitality industry. It aims at the training of those interested to join the hospitality industry and the continuous development of those that are already within the industry and are wishing to accelerate their careers. As a result HotelBrain Academy is creating sustainable economic and social development of the tourism industry.

Hotelbrain Academy was founded to create and feed the industry with well rounded professionals that are necessary to establish and maintain the level of tourism and hospitality experience that Greece has to offer. With the HotelBrain Academy, those interested will have the opportunity to obtain certified training from the largest hotel group in Greece, having at the same time received all the necessary skills that will set them apart from the competition.

HotelBrain Academy is putting in action the Group's values and philosophy, to cultivate potential tourism professionals and to offer great job opportunities in the Group's hotel network

HotelBrain

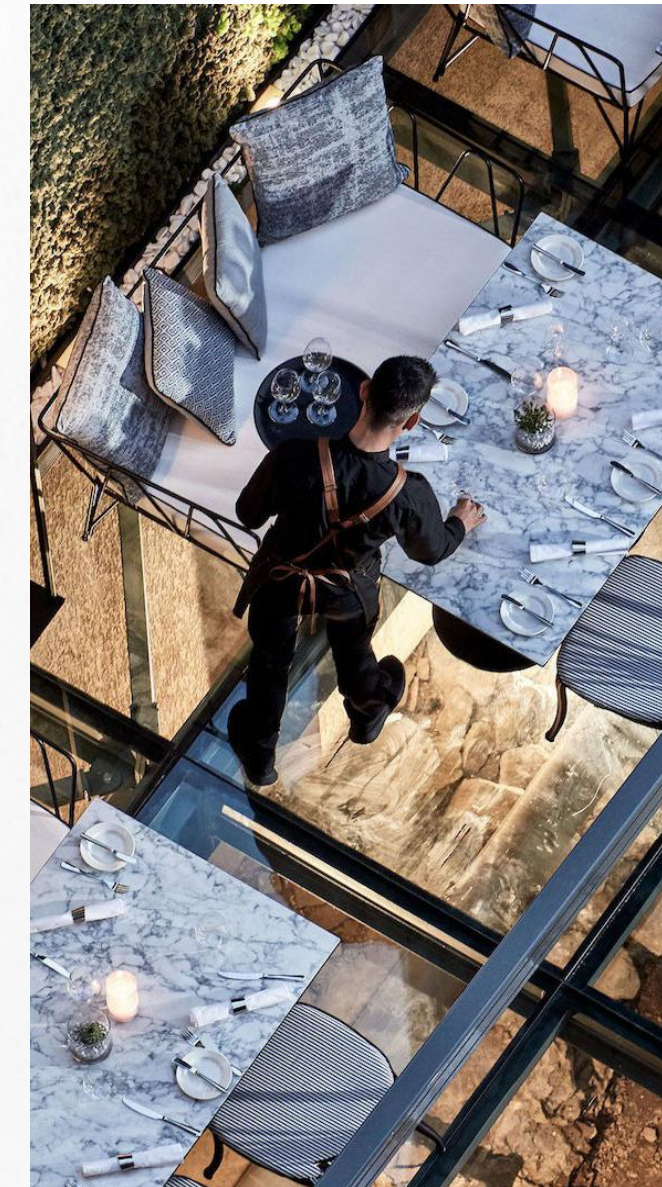

Academy Programs

Food & Beverage Fundamentals

The program launches beginning of January 2023. It includes topics related to quality, safety and hygiene, oenology, bar and restaurant management, marketing, creation of menus and wine lists, economic analysis, event organization, hotel breakfast, Greek and International cuisines.

Rooms Division Fundamentals

The program launches beginning of January 2023. It includes topics related to customer/guest management and communication in the hotel reception area, reservations management, housekeeping, maintenance and security of facilities.

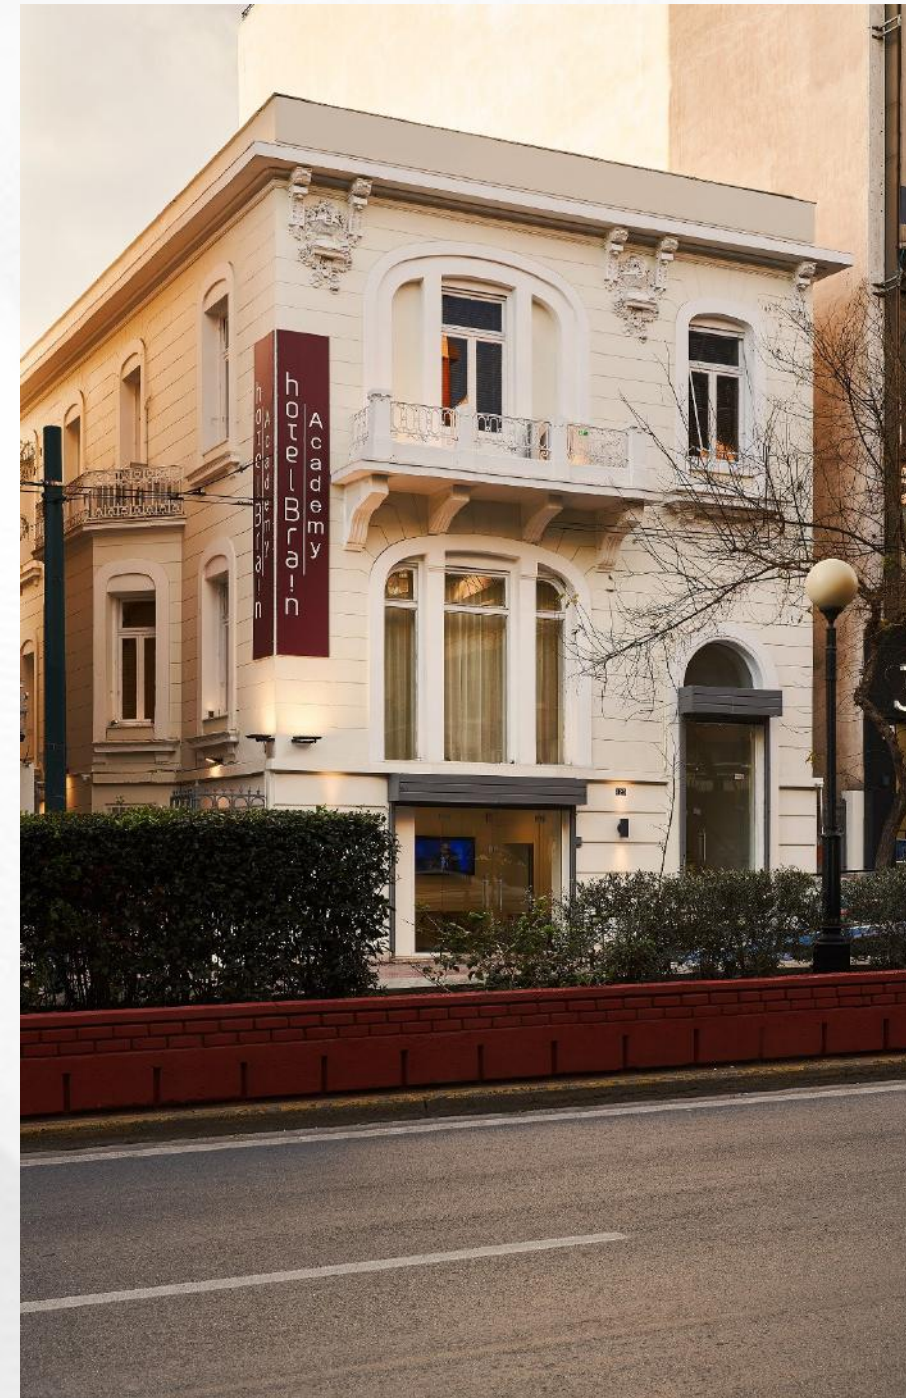

HotelBrain

Academy Facilities

HotelBrain Academy is based in the center of Athens. It features state of the art facilities that will take you on a real-time journey in a virtual hotel. The cooking, oenology, bartending and barista workshops have been designed under the instructions of the experienced executives of the HotelBrain Group and are a guarantee of ensuring the highest quality education in the field of Food & Beverage. While the workshops of Front Office, Housekeeping and Computer Lab will be used to train you in real working conditions. The Academy has a secret garden that will host events in which students will participate to further enhance their skills.
